

GLOBAL STANDARDS AND SAFEGUARDS TRAINING AND CERTIFICATION THAT GENERATES RECURRING REVENUE & RETENTION

Transform standards and safeguards training and certification into a global, scalable profit center with enterprise-level recurring revenue streams, proven merchant retention, and zero operational cost.

Value for Your Network

Client churn, risk management lapses, and thin margins are the main challenges. Our standards and safeguards platform solves these problems by delivering automated & trackable high-value training and certification that drives risk management, improves performance and increases retention by up to 42% - all while generating enterprise level recurring and sustainable revenue streams.

Profit Center for You

Our standards and safeguards platform delivers scalable and tailored training, awareness and certification to your network - we develop and manage content, you cascade standards and safeguards training and certification down to all your clients - while benefiting from zero cost, enterprise-level profit center for your organization.

Key Benefits

BENEFIT	IMPACT
Recurring Revenue Opportunity	Mandatory Merchant Certification creates a new sustainable recurring revenue stream - without costly investments
Merchant Retention	Merchant Certification improves operational discipline and reduces risk events - leading to fewer account shutdowns and fewer payment disputes
Reduced Chargeback Risks	Merchant Certification teaches merchants proper billing practices, dispute prevention strategies and refund management
Portfolio Risk Reduction	Merchant Certification helps identify merchants that follow industry best practices and operate securely
